11:00 am – 11:45 pm **Concurrent Workshops – (A full listing of workshops will be listed in the final convention agenda.)**

Workshop #1: *Say What You Mean and Mean What You Say* - Kartik Tyagi, International HOSA President

Join Kartik for an engaging, fun, and exciting leadership workshop to set your future self up for success as you aim to move "beyond all limits!"

Workshop #2: **The Great Debate** - Hannah Eckstein, Former International Central Region Vice President

Workshop #3: **Unleash Your Inner Shark** - Mielad Ziaee, Former International Secondary Board Representative

Inspired by the popular television series, "Shark Tank," you will be tasked to form your own HOSA partnership and pitch it to an audience, integrating your creativity and enthusiasm. Come to strengthen your leadership, public speaking, and teamwork skills!

Workshop #4: **Success Starts with a T.A.L.K.**, Avni Patel, Ohio HOSA State President

Workshop #5: **Exercise is Medicine – The Case for Prescribing More Physical Activity** – Dr. BC Liscombe, Chair and Associate Professor, School of Health Sciences, Mount St. Joseph University

Attendees will walk away with recommendations and action plans to increase/maintain their own physical activity and promote the American College of Sports Medicine's "Exercise is Medicine" framework with future patients.

Additional workshops offered include topics by Versiti Blood Center; Lifeline of Ohio – Donate Life; Fairbanks School of Public Health, IUPUI, Leadership Initiatives, Be The Match, NAMI

11:00 am – 12:15 pm

Leadership Academy Opening Session

Leadership Workshop: What does it mean to be a leader in Ohio HOSA? – Presented by Kolesen McCoy

Description: The true measure of leadership is influence. In this opening session of the leadership academy we will unpack just what influence looks like here at SLC and in each of our HOSA chapters.

Leadership Workshop: Professionalism in the workplace. - Presented by Kolesen McCoy

Description: How we engage others makes a difference. In this session we will discover networking techniques to create, grow, and maintain relationships in and beyond our career field.
